FOREWORD

As our high school days rapidly come to a close, we, the class of 1974, anticipate the future with mixed emotions. We can look back at our years at Hanover Area with great pride in both our scholastic and athletic achievements. We appreciate the knowledge acquired and the leadership shown by those who have guided us through these years and helped make our success possible. We realize, also, that it is now up to us to utilize this knowledge to attain our future goals.

To a stranger this book may seem like a random selection of pictures and words but to us, the class of 1974, it represents a chapter in our lives — a time of great happiness, of little sorrow, and many new experiences — which will always be treasured and never forgotten. Many years from today, when you take this book from the shelf, you may be surprised by a little chuckle or even an unexpected tear as you recall the many different moods and memories of Hanover Area's class of 1974.

CLASS HISTORY, 1974

ASHLEY-SUGAR NOTCH — FRESHMAN YEAR

Now that the school year comes to a close our seniors will always remember their earlier years at Ashley-Sugar Notch High School.

When Spring came you would find our band outside during our activity period, consisting of Sharon Ginley and Kim Evans playing the bells, Anne Passetti playing the clarinet, and Margie Woznock along with Melinda Roberts, our majorettes. Oh, and we can't forget Peter Ankner and Bill Munley playing the drums marching next to Henry Elmy with his tuba. Everyone stood at the windows watching our band march up the street with our band leader, Mrs. Eddy. Our Annual Spring Concert included Nancy Oravic, Alice Straub, Darline Snyder, and Robyn McGowan singing along with the Modern Choir. The Spring Concert was always the main attraction.

There was never a dull moment in History class when John Zubcoff, along with Dave Comitz, Lenny McGovern, and Dave Polons would place fish behind the radiators, caterpillars on the teacher's desk, and gum on the movie projector. We know Bobby Hess will never forget the day he was screaming in Mrs. Niemiec's room when he got stung by a bee. Will we forget slave day with boys dressed up the way their girl masters wanted them. Such as Dave Polons dressed in a dress and Bernie Shalata in a bonnet and apron.

Of course, there were quiet times too. When walking through the halls you could find John McNeil sleeping or daydreaming or watching an experiment in Mr. Rainock's room with Russell Patts conducting.

All and all these "fun days" have provided for us many memories of Ashley-Sugar Notch High School.

HANOVER TOWNSHIP — FRESHMAN YEAR

In our freshman year, newly acquired leadership and responsibility brought us closer to our future goal. We began the year by selecting Marcus Hayduk as President of the student council, Ron Feist, Vice-President, Kathy Bienick, Secretary, and Colleen Demorat, Treasurer. With the cooperation of the student body, the response to the candy sales was really enthusiastic and helped launch a successful Sno-Ball Dance. Through the efforts of the student council, this was the first year girls were allowed to wear slacks to school.

The Y-Teens, under the leadership of Maryanne Hubick, sponsored a one day trip to Mount Airy Lodge. We, also, inducted new Honor Society members and officers were elected. They were Linda Sailus, President; Sandy Norton, Vice-President, Sheila Kupinsky, Secretary, and Sharon Gillman, Treasurer.

There were many activities and events this year, including an Easter egg hunt in the school. There, also, seemed to be an arsenist roaming the halls, when we had a basket fire which "Smokey the Bear" Bednarski heroically put out.

We ended our freshman year with a trip to New York and much wonderment at what the next few years would bring with the merger.

By Colleen Demorat

HANOVER AREA — SOPHOMORE, JUNIOR, SENIOR YEAR

We struggled through the first year of the merger as a class divided. The majority of the sophomore class was at the junior high and two classes were at the high school. A very good aspect of the jointure was the many new friends we made.

That year the strutter squad went under the direction of Miss Rhines. She brought many new and original ideas to the squad to help make them better than ever.

The year was highlighted by our wrestlers, once again clamping the championship. It was also the year of the flood. None of us will ever forget the experience we received.

With Ron Feist as president of the student council, we ended our sophomore year with a student council-sponsored trip to Washington, D.C. We anticipated our arrival in the fall at the high school and the reunion with the friends we acquired, who preceded us there.

We began our junior year with great enthusiasm. A trip to the Bloomsburg Fair marked the beginning of the many exciting events to come. Next on our agenda was the Y-Teens Hayride where everyone did a lot of "horsing around." Class officers elected were: President, Jerry Keating; Vice-President, Sandy Aftewicz; Secretary, Kathy Bienick; and Treasurer, Paulette Halesey. And now came the time to order our class rings. With this event came the realization that our high school days were coming to an end.

Sharon Zawatski was elected Miss Y-Teen at the annual Y-Teen Christmas Prom. Next came one of the most unique and fun-filled events of the year, Greaser Day, sponsored by Mr. Zelinka and the yearbook staff. Greaser Day success was attributed to the Faculty and the students and was highlighted by an evening concert by Tom Slick and the Converted Thunderbolt Greaseslappers.

We certainly will never forget our trip to Bucks County and having Gayle left behind in the smoking lounge due to Mr. Bujnoski's errorneous counting.

With the end of the 1972-73 school year we experienced mixed emotions as we looked forward to all the privileges and responsibilities of being seniors.

HANOVER AREA — SENIOR YEAR

Finally receiving our long awaited role as seniors we orientated many new ideas inspired by the Women's Lib Movement. These included a girl's flag football team which tackeled first place, and a girl's softball team which caught second place, and a drama club supervised by Mrs. Davison and Mrs. Rother. Another first was an overnight trip to Washington, D.C. sponsored by the drama club.

The newly elected officers were Ray Dombroski, President; Bob Williams, Vice-President; Cindy Orloski, Secretary; and Mary Kay Namey, Treasurer.

This year was also one of the most successful years in sports. Chosen to lead our dynamic teams were for the Football team many various seniors throughout the year, Glenn Davis in Basketball, Brent Evens in Wrestling, Bob Williams in Golf, and Bill Munley, John Ulozas, and Stanley Jones in Track.

Now that we stand at the threshold of a new life, we appreciate the many things our faculty and friends have done for us throughout our twelve years of scholastic life. We may be leaving behind long friendships and good times, but we will always have the memories. And yet, only we can decide our future. We know the decisions we make and the paths we choose to follow will determine what our lives will or will not amount to.

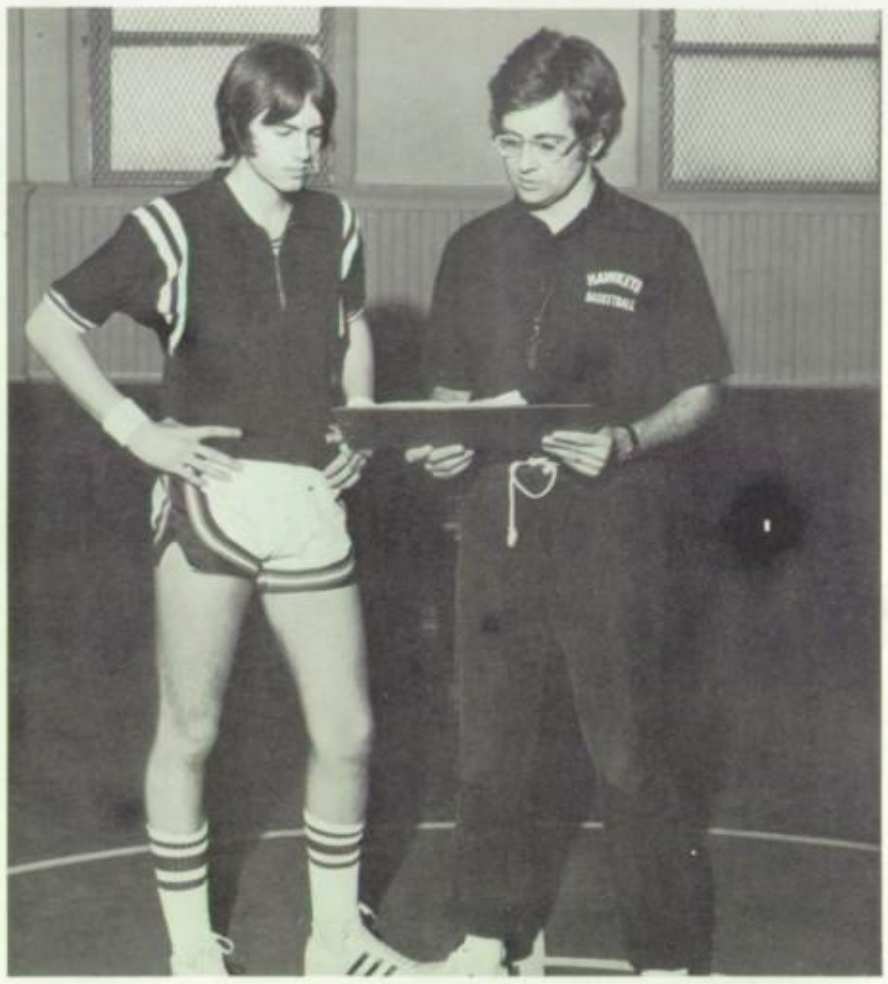
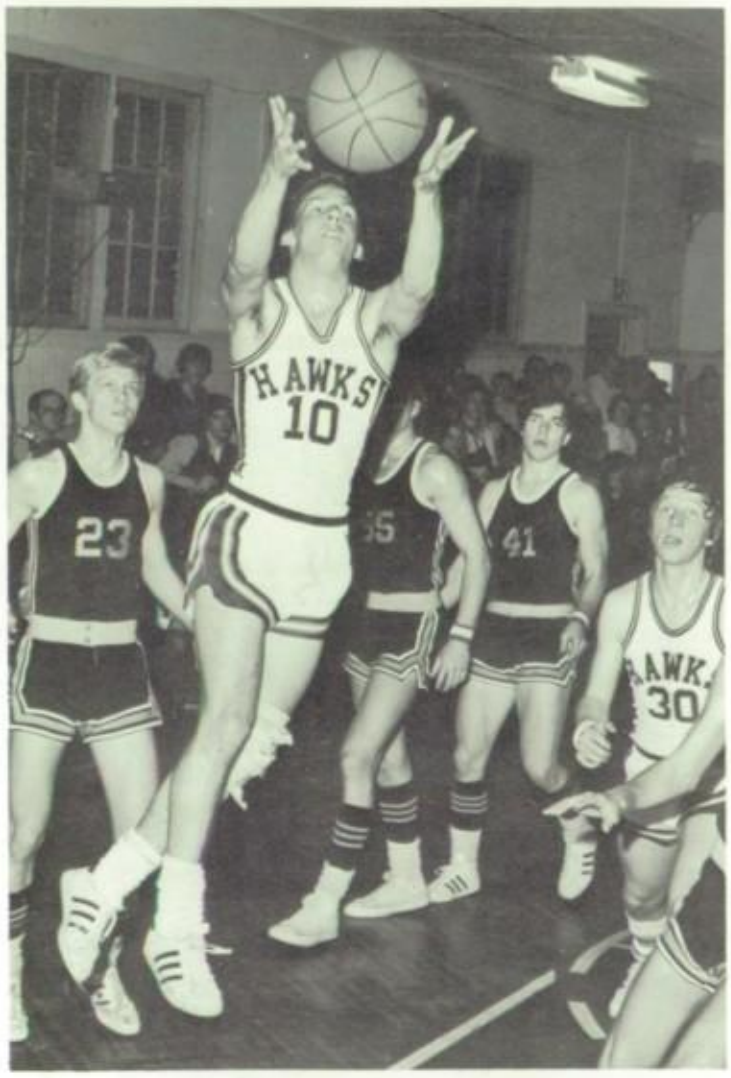
Coach Bujnowski goes over game plan with underclassmen, minus Rhines.



Coach Bujnowski gives sophomore standout Bill Rhines some pointers.

This year the HA Basketball Team produced 2 All Scholastics in the form of Bill Rhines and George Third. Bill Rhines, the 6'2" sophomore has dropped in 440 points for the whole season averaging 19.3 pts. in the regular season. As a result he was the third leading scorer in the B division. Bill has not only received recognition from the coaches and fans at Hanover but also received recognition by being selected All Scholastic in all three local papers.

HANOVER AREA'S ALL SCHOLASTICS



HA's other All Scholastic was a junior, George Third. George averaged 14.3 pts. in the regular season. He was very successful not only on offense where he averaged 8 assists per game, but was also a standout on defense. He also was selected an All Scholastic in all three local papers. HA salutes both of these fine performers and wishes them, and the team much success next year.

Senior Captain Glenn Davis

HANOVER AREA TRIPS IN '73-'74

In modern terminology the word "trip" has many connotations. This year many students from Hanover Area have experienced the true meaning of trip.

Students from Hanover Area under the supervision of Mrs. Zurinski, Miss Vernarski, and Miss Rhines visited London for nine days.

Senior girls, Robyn, Sharon, and Pat prepare for a night in London.

What a way to spend an evening!

Imagine, our girls checking in at the London Airport.

Students from HA also spent a weekend in Washington, D.C. This trip was sponsored by Hanover Area's Fine Arts Club, under the supervision of Mrs. Davison, Mrs. Rother and Mr. Malone.

All of our time in D. C. was spent eating, sleeping, and sightseeing.

In our spare moments we found time for fun and relaxation.

HANOVER AREA FINE ARTS CLUB

Consisting of the most talented actors at Hanover, this newly formed club found its beginning with the help of Mrs. Davison and Mrs. Rother. Their fist presentation, "The Christmas Carol", with Jim Bednarski as Ebenezer Scrooge highlighted the coming of our Christmas vacation. Serving two purposes, the Drama Club members are getting acquainted with play production and also providing us with several assembly programs. Because of constant hard work and perserverance, this well organized club will continue to be another Hanover success.

ACKNOWLEDGMENTS

As Editor of the 1974 Hanover Area Yearbook I wish to acknowledge with sincere appreciation the services of those who selected, submitted, compiled, or reproduced the matter within these pages. Particularly do I wish to record indebtedness . . .

To Mr. Thomas Zelinka for all his help and guidance in preparing our 1974 yearbook.

To Mr. Ray Preby, our photographer, who extended himself beyond required routines in order that our deadlines could be met.

To Mr. Young, our principal, for his cooperation at all times.

To the advertisers without whose assistance this publication could not have been possible.

To Gail Audi and Evelyn Stapay from Lazarus Portrait Studio for their expert work in Photography.

To Llewellyn Bros., Inc. for their illustrious work and superb publication of our 1974 yearbook.

And to the few dedicated staff members who gave much of their time in the preparation of this yearbook.

I can't begin to name them all, so I merely thank each generous, anonymous partner sincerely and appreciatively.
